- 2.10.1 we do not provide advice, we will not advise on the merits or otherwise of your Transactions;

- 2.10.4 we shall not be obliged to disclose to you or take into consideration any fact, matter or finding which might involve a breach of duty of confidence to any other person, or which comes to the notice of any of our directors, officers, employees or agents but does not come to the actual notice of the individual or individuals dealing with you.

2.11 No Appropriateness Assessment: In accordance with the Applicable Regulations and where you have been designated as an Accredited/Institutional Investor, Finalto Asia is entitled to assume that you have the necessary experience and knowledge in order to understand the risks involved in relation to those particular investment services or Transactions, or types of Transactions and products, for which the client is classified as an Accredited/Institutional Investor.

2.12 Order Execution Policy: Where you are classified as an Accredited/Institutional Investor, we execute orders in accordance with our Order Execution Policy, a copy of which has been provided to you. Our Order Execution Policy details the circumstances in which we owe best execution to you.

You are required to consent to our use of our Order Execution Policy before we are able to act for you, which consent you will be deemed to have given by signifying acceptance of the Agreement.

As explained more fully in our Order Execution Policy, best execution is the requirement to take all sufficient steps to obtain the best possible result when either executing Transactions with you or using other Associates or brokers to execute Transactions with you, taking into account the following execution factors:

- (a) price;
- (b) costs;
- (c) speed;
- (d) the likelihood of execution and settlement;
- (e) size;
- (f) the nature of the Transaction; and
- (g) any other consideration relevant to the execution.

As explained in our Order Execution Policy, we have prioritised these execution factors depending on the particular asset classes/Transactions. We have also explained therein the circumstances in which best execution would not apply (e.g. you provide us with specific instructions, we act as your counterparty and you have no legitimate reliance on us for best execution).

As detailed in our Order Execution Policy, Finalto Asia is your sole execution venue.

2.13 No Aggregation: Please note that we do not aggregate client orders with orders of other clients. Furthermore, we do not aggregate client orders with our own orders or those of an Associate.

2.14 Client Limit Orders: Please note we do not presently transact in shares which are admitted to trading on a Regulated Market or traded on a Trading Venue. As a result, we do not require your consent to not publish unexecuted limit orders.

2.15 Conflicts of Interest: Situations can arise where our interests, or those of our staff, conflict with your interests or where your interests conflict with those of our other clients.

Our Conflicts of Interest Policy is a policy we maintain setting out the circumstances which may constitute or may give rise to a conflict of interest, the procedures we will follow and the measures we adopt to prevent or manage such conflicts.

Whilst we take all appropriate steps to identify and to prevent or manage conflicts of interest, where we are not reasonably confident that our arrangements are sufficient to ensure that risk of damage to your interests will be prevented, we will disclose to you the nature of the conflict and the steps that we have taken to mitigate the risk before undertaking business with you.

At your request, we will provide to you a copy of our Conflicts of Interest Policy.

2.16 Performance Reports: We will provide you with regular performance reports.

Such reports will be provided to you by means of a hard copy document or an equivalent durable medium (including by way of email or by any other applicable electronic means) in accordance with the Applicable Regulations.

6.8 Your rights: You may be entitled to request access to personal data we hold about you, or to request that your personal data is erased, that its processing is restricted, or that any inaccurate personal data we hold about you is rectified. You may also have the right to object to the processing of your personal data and, in some circumstances, you may have the right to receive a copy of the personal data we hold about you in a machine-readable format. If you wish to make such a request, please give us written notice to that effect (if emailing us, please include the words "Data Protection" in the subject line of the email).

6.9 Personal Data Protection Commission: You have the right to complain to the Personal Data Protection Commission if you believe that we have breached our obligations under the Data Protection Laws, or you are otherwise concerned about the way in which your personal data is handled. Please visit www.pdpc.gov.sg for further information.

6.10 Retention of personal data: We only collect your personal data for the specific purposes set out at **Section 6.5**. We will only retain your personal data for as long as is necessary to fulfil these purposes, and for the purposes of legal and regulatory compliance.

6.11 International transfers of personal data: The personal data that we collect from you may be transferred to, and stored at, a destination outside Singapore. 7 INSTRUCTION AND BASIS OF DEALING

7.1 Placing of Instructions: You may provide us with instructions or orders in writing, by email or other electronic means or orally (including by telephone), unless we tell you the instructions can only be given in a particular way. If you provide us with instruction by telephone, your conversation may be recorded. If any instructions are received by us by telephone, computer or other medium we may ask you to confirm such instructions in writing.

We shall be authorised to follow instructions, notwithstanding your failure to confirm them in writing. The internet and other electronic communications may not be secure, reliable or timely. You should acknowledge that any instructions sent by you through the internet or other electronic means may be intercepted, copied, adapted or imitated by third parties.

7.2 Authority: We shall be entitled to act for you upon instructions given or purporting to be given by you or any person authorised on your behalf without further enquiry as to the genuineness, authority or identity of the person giving or purporting to give such instructions.

7.3 Cancellation/Withdrawal of Instructions or Orders: If you request us to cancel your instructions, we shall only be able to do so if we have not already acted on those instructions. Instructions may only be withdrawn or amended by you with our consent.

7.4 Right not to Accept Instructions or Orders: We may, but shall not be obliged to, accept instructions to enter into a Transaction. If we decline to enter into a proposed Transaction, we shall not be obliged to provide a reason but we shall promptly notify you accordingly. Unless otherwise agreed with you, instructions for the simultaneous sale and purchase of a Financial Instrument on behalf of the same beneficial owner may not be given under this Agreement.

7.5 Control of Instructions or Order Prior to Execution: We have the right (but no obligation) to set limits and/or parameters to control your ability to place instructions at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, or removed or added to by us at our absolute discretion and may include (without limitation):

7.5.1 controls over maximum instruction amounts and maximum instruction sizes; and/or

7.5.2 controls over our total exposure to you; and/or

7.5.3 controls over prices at which instructions may be submitted (to include (without limitation) controls over instructions which are at a price which differs greatly from the Market price at the time the instruction is submitted to the order book); and/or

7.5.4 controls over Finalto Online Systems and/or External Platforms (to include without limitation) any verification procedures intended to ensure that any particular instruction or instructions has come from you; and/or

7.5.5 any other limits, parameters or controls which we may be required to implement in accordance with Applicable Regulations.

7.6 Confirmations: The terms of each Transaction that we have executed with you will be reflected in a confirmation which we shall promptly send to you by electronic means over Finalto Online Systems and/or External Platform, by a pop-up image (such image, a "**Pop-up Image**") where the functionality has not been disabled or by any other means determined by us (the "**Trade Confirmation**").

Please read the remainder of this Section 7.6 (Confirmations) carefully to understand how a Pop-Up

Image may appear at the time you enter into a Transaction with us.

When you enter into a Transaction with us, a Pop-up Image reflecting the key economic terms will ordinarily appear on the screen page of Finalto Online Systems and/or External Platform.

It is important to note that Finalto Online Systems and/or External Platform permits you to disable the functionality that causes the Pop-up Image to appear on the screen page. If you have elected to disable this functionality or if the functionality is not operating for any reason, you should be aware that you will bear any loss or costs you may incur as a result of not becoming aware that a purposed transaction that you believed had been executed with us has in fact not been so executed.

You agree to, and acknowledge, the following:

7.6.1 if, for any reason the system supporting Finalto Online Systems and/or External Platform fails to accept your proposed terms of a purported transaction (as evidenced by the fact that the terms are not being reflected in a Pop-up Image (where the functionality is not disabled or where it is operating normally) or in any other form of Trade Confirmation), we shall not be bound by your proposed terms, regardless of whether or not you were aware thereof, and no Transaction shall have come into existence;

7.6.2 the economic and other relevant trade details of an executed Transaction by which you will be bound shall be evidenced by the relevant Trade Confirmation. Even if the Trade Confirmation does not expressly specify so, it will constitute a valid "confirmation" for the purposes of this Agreement and, furthermore, it will be a binding supplement to this Agreement; and

7.6.3 a Trade Confirmation shall, in the absence of Manifest Error, be conclusive and binding on you, unless we notify you of an error in the Trade Confirmation. If we have notified you of any such error, we shall issue a revised Trade Confirmation and the revised Trade Confirmation shall be conclusive and binding on you, unless we receive your objection in writing within **one (1) Business Day** of dispatching the revised Trade Confirmation to you.

7.6.4 **Account Statements:** Finalto Asia will post details of your Account activity online in Finalto Online Systems and/or External Platform as furthermore elaborated upon in **Annex 1** (Finalto Online Systems and External Platforms) of this Agreement.

7.7 Manifest Error: An error, omission or obvious misquote by us, or any Market, price providing bank, information source, commentator, announcement, or official with whom we reasonably rely, having regard to the current Market conditions at the time an order is placed (a "**Manifest Error**"). A Manifest Error may include an incorrect price, date, time or Market, or any error or lack of clarity of any information, source, commentator, official result or announcement. When determining whether a situation amounts to a Manifest Error, we may take into account all information in our possession including, without limitation, information concerning all relevant Markets conditions and any error in, or lack of clarity of, any information source or announcement.

7.8 Transaction based on Manifest Error: In the event a Transaction is based on a Manifest Error (regardless of whether you or we gain from the error) we reserve the right, without prior notice, and as soon as reasonably practicable after we become aware of the Manifest Error to:

7.8.1 amend the details of such Transaction to reflect what we consider in our discretion, acting in good faith, to be correct or fair terms of such Transaction absent of such Manifest Error(s);

STANDARD TERMS OF BUSINESS – ACCREDITED AND INSTITUTIONAL INVESTORS

- 7.8.2 in the event you do not promptly agree to any amendment under **Section 7.8.1** herein we may void from its inception any Transaction resulting from or deriving from a Manifest Error; and/or
- 7.8.3 refrain from taking any action at all to amend the details of such Transaction or void such Transaction.
- 7.9 **No Liability for Manifest Error(s):** We shall not be liable to you for any loss, cost or claim, remand or expense you suffer (including loss of profits or any indirect or consequential losses) resulting from Manifest Error(s) or our decision to enforce the details of the Transaction notwithstanding any Manifest Error(s), except to the extent caused by our own gross negligence, wilful default or fraud.
- 7.10 **Intermediate Broker and other Agents:** We may at our entire discretion, arrange for any Transaction to be effected with or through the agency of an intermediate broker, who may be an Associate of ours, and may not be in Singapore. Neither we nor our respective directors, officers, employees or agents will be liable to you for any act or omission of an intermediate broker or agent. No responsibility will be accepted for intermediate brokers or agents selected by you.
- 7.11 **Performance and Settlement:** You will promptly deliver any instructions, money, documents or property deliverable by you under a Transaction in accordance with that Transaction as modified by any instructions given by us for the purpose of enabling us to perform our obligations under the relevant matching Transaction on a Market or with an intermediate broker.
- 7.12 **Position Limits:** We may require you to limit the number of Open Positions which you may have with us at any time and we may in our sole discretion close out any one or more Transactions in order to ensure that such position limits are maintained.
- 7.13 **Trade Reporting:** Under Applicable Regulations, we may be obliged to make information about certain Transactions public. You agree and acknowledge that any and all proprietary rights in such Transaction information are owned by us and you waive any duty of confidentiality attaching to the information which we reasonably disclose.

8 ACCOUNT OPENING

- 8.1 **Account Establishment:** An Account must be opened prior to entering into any Transaction with us. No Orders can be placed until an Account has been opened and cleared Funds received. Without prejudice to the foregoing, if we permit you to place an order notwithstanding that an Account has not been opened, or cleared Funds received, this shall not limit your liability to us pursuant to this Agreement in respect of the Order placed. We may, at our absolute discretion, refuse to accept you as a client for whatever reason but will notify you of any such refusal, without giving any reasons, promptly following your application.
- 8.2 **Anti-Money Laundering:** You represent, warrant and undertake that you are now and will be at all material times in the future in compliance with all Applicable Regulations concerning money laundering and any economic sanctions programmes applicable in Singapore and in the jurisdiction(s) in which you operate. Where we require it, if satisfactory evidence of identity has not been obtained by us within a reasonable time period, we reserve the right to cease to deal with you.

9 FINALTO ONLINE SYSTEMS AND EXTERNAL PLATFORM TERMS

- 9.1 Finalto Online Systems and External Platform terms are set out in **Annex 1** (Finalto Online Systems and External Platforms) to this Agreement.

10 CLIENT MONIES AND ASSETS

- 10.1 **Client Monies and Assets will be held by Finalto Asia on trust for the Client at all times in accordance with the requirements under the SFA and the Securities and Futures (Licensing and Conduct of Business) Regulations.** In accordance with such requirements, Client Monies and Client Assets generally must be and will be segregated from Finalto Asia's own money and assets. In the event of Finalto Asia's insolvency, Client Monies and Assets will be excluded from the monies and assets of Finalto Asia available to Finalto Asia's creditors.
- 10.2 **Finalto Asia will hold Client Monies on Client's behalf in an account with a bank, or third party custodian located inside or outside of Singapore, and will hold Client Assets on the Client's behalf in custody accounts it maintains for the Client or with any other permitted third party custodians, in both cases in accordance with the Securities and Futures (Licensing and Conduct of Business) Regulations.** The Client acknowledges and consents to Finalto Asia having the right and discretion, where Finalto Asia deems appropriate and subject to applicable laws, to (i) withdraw and deposit Client Monies and Client Assets with an approved clearing house, a recognised clearing house, a member of a clearing facility or a member of an organised market for the purposes of entering into or facilitating certain transactions on behalf of the Client on the organised market, for the purpose of the clearing or settlement of certain transactions on the clearing facility for the Client, or for any other purpose specified under the business rules and practices of the approved clearing house, recognised clearing house, organised market or clearing facility, as the case may be; and/ or to (ii) deposit Client Monies and Client Assets which are denominated in a foreign currency in a trust account or custody account maintained with a third party outside Singapore that is licensed, registered or authorised to conduct banking business, or licensed, registered or authorised to act as a custodian (as applicable) in the country or territory where such trust account or custody is maintained. Any such account will be segregated from any account in which Finalto Asia's own monies or assets are held with the bank or third party.
- 10.3 **Where any bank or other permitted third party holds the Client Monies and Client Assets, Finalto Asia (a) will not be liable for the acts or omissions of, or failure or insolvency or any analogous event affecting, such entity; and (b) in the event of the insolvency or other analogous proceeding in relation to such entity, Finalto Asia may have only an unsecured claim against such entity on behalf of the Client and Finalto Asia's other customers, and Finalto Asia may be exposed to the risk that the money or assets recovered by Finalto Asia from such entity is insufficient to satisfy the claims of the Client and all other customers of Finalto Asia.**
- 10.4 **The Client acknowledges that the Client Monies and Client Assets may be held and commingled with the monies and assets of other customers of Finalto Asia in the same trust account or custody account in accordance with the provisions of the SFA and the Securities and Futures (Licensing and Conduct of Business) Regulations.** Where such Client Monies and Client Assets are commingled, one possible result is that it would be administratively difficult and so as a matter of economic costs counter-productive to attempt to allocate the respective interest entitlement (if the trust account or custody account be interest bearing) on an individual basis. This is primarily because of the constant fluctuations in the value of the commingled

STANDARD TERMS OF BUSINESS – ACCREDITED AND INSTITUTIONAL INVESTORS

monies and assets in such trust account or custody account.

10.5 **Return of Funds:** Subject to all your obligations to us being first satisfied, any moneys (“Funds”) that have not been committed for any Transactions and/or any Open Positions will be returned to you upon receipt of written instructions from you to us using the prevailing procedure in place by us from time to time and as communicated to you by us from time to time.

11 MARGINING ARRANGEMENTS

11.1 **Margin Arrangements:** You agree to transfer to us such sums by way of margin (“Margin”) as determined pursuant to **Annex 2** (Margining). Margin requirements may be set and varied from time to time at our discretion without prior notice to you including without limitation subsequent variation of any Margin rates set at the time that a Transaction is opened.

11.2 **Form of Margin:** Unless otherwise agreed, Margin must be paid in cash. The currency of the cash Margin you pay to us shall be the currency of the relevant underlying Transaction (if applicable) or as we may in our discretion reasonably decide from time to time. Cash Margin received by us will be recorded by us as a cash repayment obligation owed by us to you. You are required at all times to maintain in your Account sufficient Funds to meet all Margin requirements.

11.3 **Margin Call:** We are not under an obligation to keep you informed of your Account balance and the Margin required as it is your responsibility to monitor any shortfalls. However, we may at any time notify you, that unless you deposit into your Account(s) such additional Margin to meet our Margin requirements, we may liquidate any or all Open Positions without further notice to you (“**Margin Call**”).

Once issued, you must immediately comply in full with the Margin Call by way of cleared, same day funds regardless of any currency value fluctuations and irrespective of any recovery in the market value of the subject Open Positions. You may not increase or establish any new Open Positions while any Margin Call remains unsatisfied. Notwithstanding the aforementioned, we are not obliged to make any Margin Call to you or within any specific time period.

11.4 If you receive a Margin Call from us, it may be made at any time by telephone, telephone answering machine message, voice mail, letter, email, Finalto Online Systems and/or External Platforms or any other means of electronic communication. Therefore, you must notify us immediately and provide alternate contact details to ensure that Margin Calls can be made if you will not be contactable at your usual contact details provided. Where we do make a Margin Call to you, in no way does this waive our rights to liquidate your Transactions as stipulated in **Sections 11.6** and **11.7**.

11.5 Margin does not represent the total extent of your financial liability to us as you are liable for all losses in respect of any Transaction and any other costs or payments due under this Agreement. Furthermore, you acknowledge and agree that any waiver of Margin or failure to make a Margin Call cannot be relied upon, or treated as, an act, omission or representation as to the current value of any of your Open Positions with us.

11.6 **Close-out:** In the event there is insufficient Margin on your Account or in the event that the deposited Margin is not sufficient to satisfy the required Margin, as determined by us and in accordance with **Section 11.1** (Margin Arrangements), we may at our sole discretion choose to close or terminate any or all your Open Positions immediately without notice to you.

11.7 As specified in **Section 13.1.1** (Events of Default) and without prejudice to our rights pursuant to **Section 11.3** (Margin Call)

and **Section 11.6** (Close-out) to liquidate, close or terminate your Open Positions immediately without notice:

11.7.1 your failure to comply with a Margin Call will constitute an Event of Default after the expiry of the applicable grace period; and/or

11.7.2 the entry into any Transaction with you which results in there being insufficient Margin to cover any actual or anticipated losses or liabilities in connection with your Account will constitute an Event of Default and we may at our discretion exercise our right in **Section 13** (Events of Default), regardless of whether or not there has been a Margin Call.

11.8 **Set-off on Default:** If there is an Event of Default or this Agreement terminates, we may set-off the balance of cash Margin owed by us to you against your obligations (as reasonably valued by us) to us or to any of our Associates. The net amount, if any, payable between us following such set-off, shall take into account the Liquidation Amount payable under **Section 14** (Netting).

12 REPRESENTATIONS, WARRANTIES AND COVENANTS

12.1 **Representations and Warranties:** You represent and warrant to us as of the date of each Transaction that:

12.1.1 you have full capacity to enter into this Agreement and are not under any legal disability with respect to, and are not subject to any law or regulation which prevents your adherence to or performance of your Obligations under this Agreement or any Transaction under this Agreement and that, if you are a trustee, you have disclosed the same to us;

12.1.2 you enter into this Agreement for commercial purposes;

12.1.3 you have all the necessary authority, powers, consents, licenses and authorisation and have taken all the necessary action to enable you to lawfully enter into and perform this Agreement and such Transaction and to grant the Security Interest and powers referred to in this Agreement;

12.1.4 the persons entering into this Agreement and performing each Transaction have been duly authorised to do so;

12.1.5 no Event of Default or any event which may become (with the passage of time, the giving of notice, the making of any determination or any combination of the above) an Event of Default (a “**Potential Event of Default**”) has occurred and is continuing with respect to you or any Credit Support Provider;

12.1.6 you act as Principal and sole beneficial owner (but not as trustee) in entering into this Agreement and each Transaction;

12.1.7 this Agreement, each Transaction and the obligations created under them are binding upon you and enforceable against you in accordance with their terms (subject to applicable principles of equity) and do not and will not violate or conflict with the terms of any law, regulation, order, judgment of any court or other agency of government applicable to you or any of your assets or any contractual restriction binding on or affecting you or any of your assets, charge or agreement by which you are bound;

12.1.8 any information which you provide or have provided to us in respect of your financial position, domicile or other matters is accurate and not misleading in any material respect;

STANDARD TERMS OF BUSINESS – ACCREDITED AND INSTITUTIONAL INVESTORS

- 12.1.9 except as otherwise agreed in writing by us, you are the sole beneficial owner of all Margin you transfer under this Agreement;
- 12.1.10 regardless of any subsequent determination to the contrary, you deem yourself suitable to trade Margined Transactions;
- 12.1.11 in asking us to enter into any Transaction, you have been solely responsible for making your own independent appraisal and investigations into the risks of the Transaction and you have sufficient knowledge and experience to do so. You are also financially capable of assuming, and assume, the risks of that Transaction, including a total loss of Funds resulting from Transactions;
- 12.1.12 any change to the details supplied in the Account Opening Forms must be immediately notified to us in writing;
- 12.1.13 if you are not a resident in Singapore, you are solely responsible for ascertaining whether any Transaction entered into under this Agreement is lawful under the applicable laws and regulations of the jurisdiction of your residence; and
- 12.1.14 you are in compliance with all laws to which you are subject including without limitation, all tax laws and regulations, exchange control requirements and registration requirements.
- 12.2 Covenants:** You covenant to us that:
- 12.2.1 you will at all times obtain and comply, and do all that is necessary to maintain in full force and effect, all authority, powers, consents, licenses and authorisations referred to in this **Section 12**, and will use all reasonable efforts to obtain any that may become necessary in the future;
- 12.2.2 you will promptly notify us of the occurrence of any Event of Default or Potential Event of Default with respect to yourself or any Credit Support Provider;
- 12.2.3 you will use all reasonable steps to comply with all Applicable Regulations in relation to this Agreement and any Transaction, so far as they are applicable to you or us, and in any event you will at all times act with due skill and care;
- 12.2.4 you will not send Orders or otherwise take any action that could create a false impression of the demand or value for a Financial Instrument, or send Orders which you have reason to believe are in breach of Applicable Regulations. You shall observe the standard of behaviour reasonably expected of persons in your position and not take any step(s) which would cause us to fail to observe the standard of behaviour reasonably expected of persons in our position;
- 12.2.5 you will provide us promptly following any reasonable request made by us with such information as we may reasonably require to evidence the matters referred to in this **Section 12** or to comply with any Applicable Regulations; and
- 12.2.6 you have provided us with information in the Account Opening Forms (including any financial information) which is true, accurate, and complete in every material respect. You undertake to notify us immediately of any changes to any information you have provided to us.
- 13.1 Events of Default:** Each of the following shall constitute an Event of Default:
- 13.1.1 you fail to make any payment (including, without limitation, any Margin required to be delivered pursuant to a Margin Call) when due under this Agreement, or you fail to observe or perform any other provision of this Agreement and such failure continues for **one (1) Business Day** after notice of non-performance has been given by us;
- 13.1.2 the entry into any Transaction by you or on your behalf which results in there being insufficient Margin to cover any actual or anticipated losses or liabilities in connection with your Account, regardless of whether or not there has been a Margin Call;
- 13.1.3 you commence a voluntary liquidation or other procedure seeking or proposing liquidation, reorganisation, an arrangement or composition, a freeze or moratorium, or other similar relief with respect to you or your debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any corporate or other law with potential application to you, if insolvent), or seeking the appointment of a trustee, receiver, liquidator, conservator, administrator, custodian or other similar official (each a "**Custodian**") of you or any substantial part of your assets; or if you take any corporate action to authorise any of the foregoing; and, in the case of a reorganisation, arrangement or composition, we do not consent to the proposals;
- 13.1.4 an involuntary case or other procedure is commenced against you seeking or proposing liquidation, reorganisation, an arrangement or composition, a freeze or moratorium, or other similar relief with respect to you or your debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any corporate or other law with potential application to you, if insolvent) or seeking the appointment of a Custodian of you or any substantial part of your assets and such insolvency case or other procedure either, has not been dismissed within **fifteen (15) days** of its institution or presentation, or has been dismissed within such period but solely on the grounds of an insufficiency of assets to cover the costs of such case or other procedure;

14 NETTING

- 14.1 **Rights on Default:** On the occurrence of an Event of Default, we may exercise our rights under this **Section 14**, except that, if **Section 14.13** (Automatic Termination) applies, in the case of the occurrence of any Event of Default specified in **Sections 13.1.3** or **13.1.4** (Event of Default) (each a "**Bankruptcy Default**"), the automatic termination provision of this **Section 14** shall apply.
- 14.2 **Liquidation Date:** At any time following the occurrence of an Event of Default, we may, by notice to you, specify a date (the "**Liquidation Date**") for the termination and liquidation of Transactions in accordance with this Section.
- 14.3 **Automatic Termination:** Notwithstanding **Section 14.2** (Liquidation Date) where **Section 14.13** (Automatic Termination) applies, the occurrence of any Bankruptcy Default shall automatically constitute a Liquidation Date, without the need for any notice by us and the provisions of the following sub-sections shall then apply.
- 14.4 **Calculation of the Liquidation Amount:** Upon the occurrence of a Liquidation Date:
 - 14.4.1 neither of us shall be obliged to make any further payments or deliveries under any Netting Transactions which would but for this **Section 14**, have fallen due for performance on or after the liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount;
 - 14.4.2 We shall (on, as soon as reasonably practicable thereafter, the Liquidation Date) determine (discounting if appropriate), in respect of each Netting Transaction referred to in **Section 14.4.1** the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us to you, failing any such specification, the lawful currency of Singapore (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Netting Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant Market as may be available on, or immediately preceding, the date of calculation); and
 - 14.4.3 we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, as so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "**Liquidation Amount**").
- 14.5 **Payer:** If the Liquidation Amount determined pursuant to this **Section 14** is a positive amount, you shall pay it to us and if it is a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.
- 14.6 **Other Transactions:** Where termination and liquidation occurs in accordance with this **Section 14**, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this **Section 14**, any other Transactions entered into between us which are then outstanding.
- 14.7 **Payment:** Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Netting Transaction for as long as an Event of Default or an event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.
- 14.8 **Base Currency:** For the purpose of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such a rate prevailing at the time of the calculation as we shall reasonably select.
- 14.9 **Additional Rights:** Our rights under this **Section 14** shall be in addition to, and not in limitation or exclusion of, any other rights which we may have (whether by agreement, operation of law or otherwise).

- 14.11 **Single Agreement:** This Agreement, the particular terms applicable to each Netting Transaction, and all amendments to any of them shall together constitute a single agreement between us. STANDARD TERMS OF BUSINESS – ACCREDITED AND INSTITUTIONAL INVESTORS

the fact that the Agreement and all such terms constitute a single agreement between us.

14.12 **Additional Agreements:** Subject to **Section 14.6** (Other Transactions), the provisions of this **Section 14** shall not apply to any Transaction which is subject to liquidation and termination under an Additional Agreement. However, any sum resulting from a liquidation and termination under an Additional Agreement, may be set-off against the Liquidation Amount.

SCHEDULE 2 - GENERAL RISK DISCLOSURE NOTICE FOR COMPLEX PRODUCTS

This general risk disclosure notice for complex products (“Notice”) is provided to you in compliance with the SFA. This Notice does not disclose all of the risks and other significant aspects of derivative products. You should not deal in derivatives unless you fully understand the nature of the transaction you are entering into and the extent of your exposure to risk. You should also be satisfied that the transactions to be entered into are suitable for you in the light of your circumstances and financial position.

For the purpose of this Notice, any reference to “Finalto Online Systems” shall also include any External Platform(s) unless the context requires otherwise.

Certain strategies such as “spread” position or a “straddle” may be as risky as a simple “long” or “short” position. Whilst derivative instruments can be utilised for management of risk, some investments are unsuitable for many investors. Different Financial Instruments involve different levels of exposure to risk, and in deciding whether to trade in such Financial Instruments you should be aware of the following points:

1. CONTRACT FOR DIFFERENCE (“CFD”)

CFDs can be linked to futures which can be entered into in relation to the FTSE-100 index or any other index or share as well as currency; however, unlike other futures and options, CFDs can only be settled in cash. Investing in a CFD carries risks similar to investing in other derivative products, and you should be aware of these. Transactions in CFDs may also have a contingent liability and you should be aware of the complications of this as set out in the below sections. For a detailed risk disclosure for CFDs please refer to **Schedule 3** below.

2. PRECIOUS METALS, COMMODITIES, ROLLING SPOT FOREX OR CURRENCY OPTIONS

Investing in precious metals, commodities, Rolling Spot Forex and/or currency options carries similar risks as investing in other derivative products and you should be aware of these risks. Transactions in precious metals, commodities, Rolling Spot Forex and/or currency options may also have a contingent liability and you should be aware of this as set out in the below sections.

In addition to the standard industry disclosures contained in this Agreement, you should be aware that margined precious metals, commodities and currency trading are some of the riskiest forms of investment available in the financial markets, and are only suitable for the sophisticated individuals and institutions. Given the possibility of losing an entire investment, speculation in the precious metals, commodities or foreign exchange market should only be conducted with risk capital funds that if lost will not significantly affect your personal or institution’s financial wellbeing.

If you have pursued only conservative forms of investments in the past, you may wish to study precious metals, commodities or currency trading further before continuing an investment of this nature. If you wish to continue with your investment, you acknowledge that the Funds you have committed are purely risk capital and loss of your investment will not jeopardise your style of living nor will it detract from your future retirement program. Additionally, you fully understand the nature and risks of precious metals, commodities and currency investments, and your obligations to others will not be neglected should you suffer investment losses.

3. FOREIGN MARKETS

Foreign Markets involve different risks from Markets in Singapore and in some cases risks will be greater. The potential for profit or loss from transactions in foreign markets or in foreign currency will be affected by fluctuations in foreign exchange rates and an exposure to enhanced risks not necessarily reflecting any risks present on domestic markets. Such enhanced risks include the risks of political or economic policy changes in a foreign media, which may substantially and permanently alter the condition terms, marketability or a price of a foreign currency.

4. RISK REDUCING ORDERS OR STRATEGIES

Under certain trading conditions it may be difficult or impossible to liquidate a position. This may occur, for example, at times of rapid price movement if the price rises or falls in one trading session to such an extent that under the rules of the relevant exchange trading is suspended or restricted. The placing of certain Orders (e.g. “stop-loss” or “stop limits” orders) that are intended to limit losses to certain amounts may not always be affected because market conditions or technological limitations makes it impossible to execute such Orders. Strategies using combinations of positions such as “spread” and “straddle” positions may be just as risky as or even riskier than simple “long” or “short” positions.

5. PRICES

The prices posted on Finalto Online Systems may not necessarily reflect the broader market. We will select closing prices to be used in determining Margin requirements and in periodically marking to market the positions in client accounts. Although we expect that these prices will be reasonably related to those available on what is known as the interbank market, prices we use may vary from those available to banks and other participants in the interbank market. Consequently, we may exercise considerable discretion in setting Margin requirements and collecting Margin funds.

6. WEEKEND RISK

Various situations, developments or events may arise over a weekend (**Friday 21:30 SGT or GMT (as applicable) to Sunday 23:00 SGT or GMT (as applicable)** or as informed by us from time to time) when the currency markets generally close for trading, that may cause the currency markets to open at a significantly different price from where they closed on Friday. There is a substantial risk that stop-loss Orders left to protect Open Positions held over the weekend will be executed at levels significantly worse than their specified price.

7. ELECTRONIC TRADING

Trading in over the counter (“OTC”) transactions through Finalto Online Systems may differ from trading on other electronic trading system as well as from trading in a conventional or open market. Clients that trade on an electronic trading system are exposed to risks associated with the system including the failure of hardware and software down time, with respect to Finalto Online Systems, the individual clients’ systems and the communications infrastructure (for example the internet) connecting to Finalto Online Systems with clients.

8. CONTINGENT LIABILITY TRANSACTIONS

Contingent liability transactions which are margined require you to make a series of payments against the purchase price, instead of paying the whole purchase price immediately. You may sustain a total loss of the Margin you deposit with us to establish or maintain an Open Position. In the event the market moves against you, you may be called upon to deposit substantial additional Margin pursuant to **Section 11** (Margining Arrangements) at a short notice to maintain the Open Position. If you fail to do so within the time required, your Open Positions may be liquidated without prior notice at a loss and you will be liable for any resulting deficit. Even if the Transaction is not margined, it may still carry an obligation to make further payments in certain circumstances over and above any amount paid when you entered into the Transaction. Contingent liability transactions, which are not traded on or under the rules of a recognised or designated investment exchange, may expose you to substantially greater risk.

9. COMMISSIONS

You should only engage in precious metals, commodities, CFDs or Rolling Spot Forex trading if you are prepared to accept a high degree of risk outlined but not limited to the risks provided for in this Notice. You must be prepared to sustain a total loss of all amounts you may have deposited with us as well as any losses, charges (such as interest) and any other amounts (such as costs) we incur in recovering payment for you.

Before you commence trading, you should obtain details of all commissions and other charges for which you will be liable. In the event any charges are not expressed in monetary terms (but, for example, as a dealing spread), you should obtain a clear written explanation, including appropriate examples, to establish what such charges are likely to mean in specific monetary terms.

10. INSOLVENCY

Any insolvency or default may lead to Open Positions being liquidated or closed out without your consent. Additionally, you transfer full ownership and title to a portion the Funds you deposit with us representing an amount necessary to secure your Open Positions which will be calculated daily in our sole discretion based on your daily Open Positions and which may be greater than the Margin required to maintain your Open Positions, as market conditions may dictate, such that you will not have a proprietary claim over that portion of the Funds and that portion will not be segregated. You will therefore rank only as a general creditor of us with respect to any claim for the payment of such portion of the above described Funds you deposit which may therefore be irrevocable in the event of any insolvency or default.

11. OTHER TERMS

All other capitalised terms in this **Schedule 2** shall have the meaning given to them in **Section 1** (Interpretation and Glossary) of this Agreement.

SCHEDULE 3 - CONTRACTS FOR DIFFERENCE RISK DISCLOSURE

This Contract for Difference Notice (“CFD Notice”) is provided to you in compliance with section 128 (1) of the Securities and Futures Act (Cap. 289). This CFD Notice will provide you with information about the nature and risks of CFDs; however, it cannot explain all of the risks nor how such risks relate to your personal circumstances. If you are in doubt you should seek independent professional advice, as it is important that you fully understand the risks involved before making a decision to enter into a trading relationship with us.

For the purpose of this CFD Notice, any reference to “Finalto Online Systems” shall also include any External Platform(s) unless the context requires otherwise.

CFDs are high risk investments, which are not suitable for many members of the public. Trading CFDs can carry a high risk to your capital as prices may move rapidly against you, and if you invest on leverage, you can lose more than your initial deposit and you may be required to make further payments.

In the event you choose to enter into a trading relationship with us, it is important that you remain aware of the risks involved, that you have adequate financial resources to bear such risks and that you monitor your positions carefully.

1. APPROPRIATENESS AND SUITABILITY

In accordance with the Applicable Regulations, Finalto Asia is entitled to assume that an Accredited/Institutional client has the necessary experience and knowledge in order to understand the risks involved in relation to those particular investment services or Transactions, or types of Transactions and products, for which the client is classified as an Accredited/Institutional Client. As such no appropriateness assessments will be conducted in respect of an accredited/institutional clients. As no investment advice is provided to such clients, no suitability assessments will be conducted in respect of Accredited/ Institutional clients.

Please note that we will not be able to take your borrowing or leverage into account in assessing your investment risk appetite or capacity. You should be aware that leverage and Margined Transactions dramatically increase the risk of investments in Financial Instruments, particularly where large Transactions can be taken in reliance on a small amount of Margin as is common when dealing with Margined Transactions.

Any decision on whether or not to open an Account and whether or not you understand the risks is yours. We do not monitor on your behalf whether the amount of money you have transferred to us or whether your profits and losses are consistent with your financial assets and earnings. It is left up to you to assess whether your financial resources are adequate and what level of risk to take

2. NO ADVICE

Finalto Asia does not provide any “investment advice” and as such it does not provide investment, tax, legal, regulatory, or financial advice relating to investments or possible transactions in investments. Any information we provide to you is purely factual and does not take into account your personal objectives, financial situation or needs.

Accordingly, you should consider carefully trading CFDs with us and the appropriateness of it taking into account your personal circumstances, and where in doubt ensure to obtain independent professional advice from a suitable professional advisor on any such matter before trading with us. Nothing in this CFD Notice should be taken as a recommendation to trade in CFDs.

This Agreement contains a provision by which you agree that you enter into all Transactions in reliance with your own judgement, and that we will not be liable for any inaccuracy or mistake in any information we give you in the absence of gross negligence, wilful default or fraud.

3. GEARING AND LEVERAGE

Before you enter into a CFD Transaction with us we will generally require you to lodge Funds with as Margin. Margin will usually be a relatively modest proportion of the overall contract value (10% of the contract value for example). This means that you will be using “leverage” or “gearing” which can work for or against you. A small price movement in your favour can result in high return on the Margin placed for the Transaction, but a small price movement against you may result in substantial losses.

4. ADDITIONAL DEPOSITS

At all times during which you have Open Positions, you must ensure that your Account balance, taking into account all running profits and losses, is equal to at least the total Margin that we require you to have paid us. Therefore, if the Account moves into deficit you have two options. You can either reduce your Open Positions in order to reduce your Margin requirement or you may be required to provide us with substantial additional Margin, at short notice, to maintain your Open Positions. If you do not do this, we will be entitled to close one or more or all of your Open Positions, and you will be responsible for any losses incurred.

You should also be aware that under the terms of this Agreement, we are entitled to increase the Margin requirements without prior notice to you. If we do so, you may be required to deposit additional Funds into your Account to cover the increased Margin requirements. In the event you do not do this, we will be entitled to close one or more or all of your Open Positions without prior notice, and you may therefore with adverse Market movements suffer a loss of your whole Margin and more, so you will owe Funds to us.

You should therefore ensure to not enter into any CFD Transactions in sizes that are so large that you are not sure that you will be able to deposit any additional Funds into your Account with us.

5. NEED TO MONITOR OPEN POSITIONS

Due to the effect of gearing and leverage and therefore the speed at which profits or losses can be incurred, it is important that you at all times monitor your Open Positions closely. It is your responsibility to monitor your Open Position and whilst you have Open Positions you should always be in a position to do so.

6. OVER THE COUNTER DERIVATIVES

When you enter into a Transaction with us through Finalto Online Systems, you will be entering into an off-exchange (also known as an “over the counter” or “OTC”) derivative transaction. Transactions in an off-exchange derivative may involve greater risk than investing in an on-exchange derivative as there is no exchange market on which to

close out an Open Position. The prices and other conditions are set by us, subject to any obligations we have to act reasonably and in accordance with this Agreement. Each Transaction you enter into using Finalto Online Systems results in you entering into a Transaction directly with us, and therefore each Transaction can only be closed with us and are not transferable to any other person.

Please note that CFDs are not suitable for the long term investor. It is inherent in the nature of an OTC derivative transaction, that such investment is not readily realisable and as such, the investment may be difficult to realise or sell, as such instruments are non-transferable. As such, reliable information about the true value or extent of the risks to which such an investment is exposed is not readily available. If you hold a CFD Open Position for a long period of time, the associated costs increase and it may be more beneficial to buy the underlying instrument instead.

Furthermore, it must be borne in mind that the inherent nature of CFDs means that they are not suitable for an investor seeking regular income, as the profit from those investments may fluctuate.

7. NO RIGHT TO THE UNDERLYING INSTRUMENT

CFD Transactions do not provide any right to the underlying instruments or, in the case of CFD references to shares, to voting rights.

8. FLUCTUATIONS IN THE UNDERLYING MARKET

CFDs are Financial Instruments that allow you to speculate on price movements in underlying markets. Although the prices which you trade CFDs are set by us, our prices derived from the underlying Market. It is important therefore that you understand the risks associated with trading in the relevant underlying market as fluctuations in the price of the underlying Market will affect the profitability of your Transaction.

Some of such risks include:

- 8.1. **Currency:** In the event you trade in a Market other than your base currency Market, currency exchange fluctuations will impact your profits and losses.
- 8.2. **Volatility:** Movements in the price of the underlying Markets can be volatile and unpredictable. This will have a direct impact on your profits and losses. Knowing the volatility of an underlying Market will help guide you as to where any stop orders should be placed.

8.3. **Gapping:** Gapping is a sudden shift in the price of an underlying Market from one level to another. Various factors can lead to gapping (for example, economic events or Market announcements) and gapping can occur both when the underlying Market is open and when it is closed. When gapping occurs when the underlying Market is closed, the price of the underlying Market when it opens (and therefore our derived price) can be markedly different from the closing price, with no opportunity to close your Transaction in between. Gapping can result in a significant loss (or profit).

8.4. **Market Liquidity:** In setting our prices, spreads and the sizes in which we will deal, we will take account of the Market or Markets for the relevant underlying instruments. Market conditions can change significantly in a very short period of time, so that if you wish to close an Open Position we might not be able to do so under the same terms as when you opened the position.

The list above is non-exhaustive and is merely intended to provide a general overview of the possible market risks.

9. COSTS AND CHARGES

Before you commence trading CFDs with us, you should obtain details of all commissions and other charges for which you will be liable. Our costs and charges will be provided to you by email or set out in Finalto Online Systems. Please ensure that you fully understand the terms of the costs and charges as they affect your profitability.

10. OPERATIONAL RISKS

Operational risks with Finalto Asia are inherent in every CFD transaction. Disruptions in Finalto Asia's operational processes, such as communications, computers, networks or external factors may cause delays in the execution and settlement of orders. Finalto Asia does not accept or bear any liability whatsoever in relation to its operational processes, except to the extent they were caused by negligence, wilful default or fraud.

11. OTHER TERMS

All other capitalised terms in this **Schedule 3** shall have the meaning given to them in **Section 1** (Interpretation and Glossary) of this Agreement.

You should only engage in CFDs trading if you are prepared to accept a high degree of risk outlined but not limited to the risks provided for in this CFD Notice. You must be prepared to sustain a total loss of all amounts you may have deposited with us as well as any losses, charges (such as interest) and any other amounts (such as costs) we incur in recovering payment for you.

SCHEDULE 4 - ADDITIONAL TERMS FOR CLIENTS TRADING CONTRACTS FOR DIFFERENCE

For the purpose of this Schedule 4, any reference to “Finalto Online Systems” shall also include any External Platform(s) unless the context requires otherwise.

1. APPLICATION AND SCOPE

- 1.1. This **Schedule 4** applies for clients trading CFD Transactions. This Schedule supplements:
 - 1.1.1. Any relevant Additional Agreement between you and us; and
 - 1.1.2. The other parts of this Agreement.
- 1.2. Any references to trading CFD Transactions, placing CFD Orders, opening and closing positions shall be deemed to be made through Finalto Online Systems.
- 1.3. In the event of a conflict between this **Schedule 4** and any Additional Agreement or any other part of this Agreement, this Schedule shall prevail in relation to trading CFDs.
- 1.4. **Sections 7** (Adjustments, Take-over Offers & Suspensions) and **Section 8** (Nationalisation and Insolvency) are only applicable for clients trading CFD Transactions on Securities.
- 1.5. **Section 9** (Exchange Suspensions and Delisting) is only applicable for clients trading CFD Transactions on Financial Instruments.

2. SERVICES

- 2.1. We deal with you only after you have requested a quote for a CFD Transaction, we have quoted a price and you have given a specific instruction or Order to open a CFD Transaction at the price quoted by us.
- 2.2. You acknowledge and agree that unless otherwise agreed in writing you will not be entitled to delivery of, or be required to deliver, the Financial Instrument to which the CFD relates. Nor will you acquire any interest in the relevant Financial Instrument or be entitled to receive dividends or any equivalent thereof, or exercise voting rights, to receive any rights pursuant to any rights or bonus issue or participate in any placing or open offer by virtue of your CFD Instrument which is a Security. The payment of any dividend or occurrence of any rights or bonus issue, placing, open offer or take-over in respect of a Security shall be dealt with in accordance with this Agreement.

3. OBTAINING A QUOTE AND ORDER PLACEMENT

- 3.1. At any time you wish to enter into a CFD Transaction, or to close all or part of a CFD Transaction, you may request a quote to open a CFD Transaction with us during the normal hours of trading for the relevant CFD Instrument. We at our sole discretion can provide quotes outside normal hours of trading if requested by you.
- 3.2. CFD Transactions will be initiated by you placing a CFD Order offering to enter into a CFD Transaction in respect of a CFD Instrument at the price quoted to you.
- 3.3. Each CFD Order must be an instruction to “buy” or “sell”. A “buy” CFD Transaction may also be referred to as a “long” or “long position” and a “sell” CFD Transaction may also be referred to as a “short” or “short position”.

4. ACCEPTANCE OF ORDERS AND OPENING OF CFD TRANSACTIONS

- 4.1. You may cancel your CFD Order at any time by notice to us unless and until the CFD Order has been executed in whole or in part, only if a CFD Order is an Entry Order. In the event a CFD Order is a Market Order it will not be possible for you to cancel the CFD Order at any time.
- 4.2. For Accounts using the “non-hedging” setting:

Where you give an Order:

 - a) to open a long position in relation to a CFD Instrument on an Account where you at that time already have a short position in relation to the same CFD Instrument on that Account; or
 - b) you give a CFD Order to open a short position in relation to a CFD Instrument where you already have a long position in relation to that CFD Instrument,

then we will treat your instruction to open the new CFD Transaction as an instruction to close the existing position to the extent of the size of the new CFD Transaction. If the new CFD Transaction is greater in size than the existing CFD Transaction, then the existing CFD Transaction will be closed in full and a CFD Transaction will be opened in relation to the excess size of the new CFD Transaction.

- 4.3. For Accounts using “hedging” setting: You may open a position by providing us with a CFD Order. Your request to open a new position will not close current Open Positions.

5. CLOSING A CFD TRANSACTION

- 5.1. On a Business Day on which either of us wishes to close any CFD Transaction (whether in whole or in part) either of us may give a Closing Notice to the other specifying the CFD Transaction it wishes to close, the related CFD Instrument, the CFD Quantity and the Closing Date.
- 5.2. Any Closing Notice served by you shall take effect immediately subject to prevailing Market conditions.
- 5.3. Any Closing Notice served by us subject to **Section 5.1** of this Schedule shall take effect **two (2) Business Days** following the giving of the Closing Notice.
- 5.4. Following receipt of a Closing Notice, we shall inform you of the Closing Price of the CFD Transaction and the CFD Transaction will be closed on that price on the Closing Date. Any amounts payable by either part to the CFD Transaction are immediately due and payable on closing and shall be paid on the Contract Settlement Date.
- 5.5. In addition to our rights in **Section 13** (Events of Default) of the Agreement and our rights pursuant to **Section 5.1** of this Schedule to serve a Closing Notice, we may in our sole discretion close any CFD Transaction at any time without prior notice in the event that:
 - 5.5.1. It is a “sell” CFD Transaction, and due to illiquidity in the relevant CFD Instrument we are unable to borrow a sufficient number of such CFD Instruments to settle any

STANDARD TERMS OF BUSINESS – ACCREDITED AND INSTITUTIONAL INVESTORS

underlying hedge position in respect of the CFD Transaction; or

- 5.5.2. We are required, at any time, to a lender to return any CFD Instrument, borrowed by us which relates to a CFD Transaction and we are then unable to maintain a hedge position in respect of that CFD Transaction; or
- 5.5.3. At any time we are unable to establish or maintain a hedge position in respect of a CFD Transaction; or
- 5.5.4. You fail to honour a Margin Call in accordance with **Section 11** of the Agreement (Margining Arrangements); or
- 5.5.5. The Agreement is terminated.

6. CALCULATIONS

- 6.1. We shall determine any Closing Price required as soon as reasonably practicable after the Closing Date to reflect the economic effect (and anticipated economic effect) on us of the event giving rise to the Closing Date including without limitation:
 - 6.1.1. The effect (and anticipated effect) of such event on the value, transferability, liquidity and/or volatility of the CFD Instrument;
 - 6.1.2. The effect (and anticipate defect) of such event on any hedge, contract or other trading position relating to the CFD Transaction which we have or have had in place or may reasonably have put in place;
 - 6.1.3. The effect (and anticipated effect) of such event on the value, transferability, liquidity and/or volatility of such hedge, contract or other trading position we have or have had in place; and
 - 6.1.4. Any costs we incur (and anticipate incurring) in terminating, liquidating or re-establishing any hedge, contract or other such trading position we have or have had in place.

7. ADJUSTMENTS, TAKE-OVER OFFERS & SUSPENSIONS

- 7.1. If any Securities becomes subject to possible adjustments as the result of any of the events set out in **Section 7.3** below, we shall determine the appropriate adjustment, if any, to be made to the Current CFD Transaction Value or CFD Quantity of any related CFD Transaction to account for the dilutive or concentrative effect as necessary to preserve the economic equivalent of the FINALTO Transaction prior to the relevant event or to reflect the effect of the event on the relevant Securities.
- 7.2. Any such adjustments as described in **Section 7.1** above will be effective as of the date determined by us.
- 7.3. The events to which **Section 7.1** refers may include without limitation the declaration by the issuer of the Securities of the terms of any of the following:
 - 7.3.1. A subdivision, consolidation or reclassification of shares, or a free distribution of shares to existing holders by way of bonus, capitalisation or similar issue;
 - 7.3.2. Distribution to existing holders of the underlying Securities of additional shares, other share capital or Securities granting the right to payment of dividends and/or proceeds of liquidation or the issuer, or Securities, right or warrants granting the right to a distribution of shares or to purchase, subscribe, or receive shares, in any case for payment (in

cash or otherwise) at less than the prevailing Market price per share; and/or

- 7.3.3. Any event in respect of the Securities analogous to any of the foregoing events or otherwise having a dilutive or concentrative effect on the Market value of the Security.
- 7.4. If at any time a Merger Event occurs or a Take-over Offer is made in respect of any relevant CFD Transaction Securities, then on or after the date of the Merger Event or at any time prior to the Closing Date of such Take-over Offer, a Calculation Adjustment may be made. Calculation Adjustment means that we shall either:
 - 7.4.1. Make such adjustment to the exercise, settlement, payment or any other terms of the Transaction as we may determine appropriate to account for the economic effect, if any, on the CFD Transaction Securities of such Merger Event or Take-over Offer (provided that no adjustments will be made to account solely for changes in volatility) expected dividends, stock loan rate or liquidity relevant to the CFD Transaction Securities or to the Transaction, which may, but is not required to, be determined by reference to adjustments made in respect of such Merger Event or Take-over Offer by an exchange to futures or options on the relevant CFD Transaction Securities traded on such exchange; or
 - 7.4.2. Determine the effective date of that adjustment (if any).

- 7.5. In the event we determine that no adjustment could be made under **Section 7.4** above which would produce a commercially reasonable result, we will issue a Closing Notice to you. The date of such Closing Notice will be the Closing Date. The Closing Price shall be such price as is notified by us to you. For the purposes of this **Section 7**, Merger Event means in respect of any CFD Transaction Securities:

- 7.5.1. Any reclassification or change of the CFD Transaction Securities that results in a transfer of or an irrevocable commitment to transfer all outstanding Securities of the same class as the CFD Transaction Securities to another entity or person (other than a consolidation amalgamation, merger or binding share exchange in which such issuer is the continuing entity and which does not result in a reclassification or change of all such CFD Transaction Securities outstanding);

- 7.5.2. Take-over Offer of the outstanding CFD Transaction Securities of the issuer that results in a transfer of or an irrevocable commitment to transfer all of them; or

- 7.5.3. Consolidation, amalgamation, merger or binding share exchange of the issuer of the relevant CFD Transaction Securities or its subsidiaries with or into another entity in which the issuer is the continuing entity and which does not result in a reclassification or change of all such CFD Transaction Securities (other than CFD Transaction Securities owned or controlled by such other entity) immediately prior to such event collectively representing less than 50% of the outstanding CFD Transaction Securities immediately following such event (a "**Reverse Merger**").

8. NATIONALISATION AND INSOLVENCY

- 8.1. If all the shares, or all or substantially all the assets, of an issuer, a Securities of which represents all or part of the CFD Transaction Securities of a CFD Transaction, are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof, the day on which such event occurs, or is declared shall be the Closing Date. The Closing Price shall be such price as is notified by us to you.

9. EXCHANGE SUSPENSIONS AND DELISTING

- 9.1. If at any time trading on an exchange Market is suspended in any CFD Instruments which forms the subject of a CFD Transaction we shall calculate the value of the CFD Transaction with reference to the last traded price before the time of suspension, or the Closing Price if no trading in that Financial Instrument is undertaken during the Business Day on which a suspension occurs. In the event that the aforementioned suspension continues for **five (5) Business Days**, we and you may in good faith agree on a Closing Date and a value of the CFD Transaction. In the absence of such agreement, the CFD Transaction shall remain open in accordance with the provisions of this **Section 9** until such time as the aforementioned suspension is lifted or the CFD Transaction is otherwise closed. During the term of a CFD Transaction, in the event that the CFD Instruments are suspended, we have the right to terminate the CFD Transaction at our discretion and to amend or vary Margin requirements and Margin rates.
- 9.2. In the event a Market on which a CFD Instrument is principally traded announces that pursuant to the rules of such Market the relevant shares have ceased, or will cease to be listed, traded or publically quoted on the Market for any reason (other than a Merger Event or a Take-over Offer) and are not immediately re-listed, re-traded or re-quoted on the Market or quotation system located in the same country as the Market (or where the Market is within the European Economic Area), or already so issued, quoted or traded the day on which such an event occurs, or (if earlier) is announced, shall be the Closing Date. The Closing Price will be such price as notified to you by us.

26. ARBITRAGE

26.1. Internet, connectivity delays, and price feed errors sometimes create a situation where the prices displayed on Finalto Online Systems do not accurately reflect the market rates. The concept of arbitrage and "scalping", or taking advantage of these Internet delays, cannot exist in a Market where the client is buying or selling directly from the market maker. We do not permit the practice of arbitrage on Finalto Online Systems. Transactions that rely on price latency arbitrage opportunities may be revoked. We reserve the right to make the necessary corrections or adjustments on the Account involved. Accounts that rely on arbitrage strategies may at our sole discretion be subject to our intervention and our approval of any orders. Any dispute arising from such quoting or execution errors will be resolved by us in our sole and absolute discretion.

26.2. We shall have any obligation to contact you and advise you upon appropriate action in light of changes in market conditions or otherwise. You acknowledge that the Market is highly speculative and volatile and that, following execution of any transaction, you are solely responsible for making and maintaining contact with us for the purpose of monitoring the position and ensuring that any further instructions are given on a timely basis. 27. TERMINATION

27.1. This **Annex 1** is effective until terminated by either party upon written notice to the other. We may suspend, limit or terminate your access to all or part of Finalto Online Systems (with or without cause or notice).

If you utilise the External Platform, you acknowledge and agree to the following additional terms and conditions and authorise us to act accordingly by signing and returning the Notice Letter.

28.2. You wish to utilise the External Platform to execute trades and to direct trade orders and trade details to us. When you are utilising the External Platform you will not be entering trade orders and trade details directly with us, but rather will be entering trade orders and trade details via the External Platform through a third party. You hereby authorise and direct us to enter trades for your Account in accordance with trading signals generated and sent to us by the External Platform.

28.3. You fully understand that trade orders and trade details are generated by the External Platform and not by us and that our responsibility is to use commercially reasonable efforts to enter orders pursuant to the trade orders and trade details generated by the External Platform as received by us. You confirm that we have not solicited, or in any other way recommended your participation on the External Platform. You have made your own inquiries and conducted research into the External Platform sufficient to make an informed investment decision. We cannot imply or guarantee that you will make any profits from the External Platform and you agree that we will not be held responsible in any way for the External Platform's performance or any trading losses incurred on your Account as a result of trading pursuant to the External Platform.

28.4. We will enter trade orders for your Account in accordance with the trade orders and trade details generated by the External Platform. You understand that your trading access through the External Platform will be provided by the External Platform provided and not us.

28.5. When utilising the External Platform, you will have access to Trade Confirmations on the External Platform. Where you have been granted access to both the External Platform and Finalto Online Systems, and in the event of any discrepancy between the two Trade Confirmations, Finalto Online Systems Trade Confirmation takes priority unless otherwise notified to you by us, and this shall include (but is not limited to) all Margin calculations and liquidations.

28.6. In the event a liquidation of your Account takes place on Finalto Online Systems, this will not be reflected in the External Platform Trade Confirmation, and you acknowledge and agree that it is your responsibility to monitor the Trade Confirmations closely at all times. You furthermore acknowledge and agree that we shall not be under further obligation to notify you of any further discrepancies between the Trade Confirmations, and shall furthermore and in all cases have the right to reduce or liquidate your positions based on Finalto Online Systems Trade Confirmation without further notification to you.

28.7. We shall not be responsible for any error or malfunction of the External Platform, mechanical or communication failure, systems errors, data failure or any other causes beyond our control. You acknowledge that we can accept and execute orders only if they are actually received or generated.

28.8. You understand that there is no trading system or recommendations service, including the External Platform that is free from risk of loss. We therefore do not imply or in any way guarantee that you will make a profit and you agree that neither we nor any of our Associates, officers, directors, employees, consultants, agents or Affiliates will be held responsible for the performance of the External Platform or trading losses on your Account.

28.9. We may terminate the authorisation over the External Platform at any time for any reason in our sole discretion and will provide you with notice of this as soon as reasonably possible. You shall be responsible for any open positions in your Account at the time the External Platform is terminated. You shall permit for us to execute offsetting order for any open position in your Account at the time this External Platform is terminated, or your termination of this Agreement.

STANDARD TERMS OF BUSINESS – ACCREDITED AND INSTITUTIONAL INVESTORS

28.10. You agree that, in the absence of gross negligence, wilful default or fraud, neither we, nor any of our Associates, officers, directors, employees, consultants, agents or Affiliates will be held liable for any act or omission in the course of or in connection with your participating in the External Platform. You shall indemnify us, our principals, officers, directors, employees, agents, successors and/or assignees from all losses and/or liability (including reasonable attorney's and/or accountant's fees) incurred or resulting from this authority granted to us under this provision, to utilise the External Platform, provided that there has been no judicial determination that such liability was the result of gross negligence, wilful default or fraud by us, and further provided that the conduct that was the basis for such liability was not undertaken in the actual or reasonable belief that it was in your best interest.
